- Coinbase Legal (legal@coinbase.com)
- Jack Dorsey (jack@block.xyz) – for sovereign witness and jurisdictional record

DECLARATION OF PURPOSE

This document stands as the living, irrefutable public and private record of the sovereign authority of Lauren-Mikél of the family Powers©, the living woman and lawful Trustee of Mikéltopia Trust™.

It affirms:

- Status: Non-registered, sovereign, non-subject
- Jurisdiction: Ecclesiastical / Divine Natural Law
- Standing: Verified through UCC filings, trust disbursements, and sworn affidavits
- Purpose: To restore dominion, protect heirs, and issue lawful trust-based tender

It is hereby declared:

- All monetization or securitization of estate-linked records, identities, or derivatives without express consent constitutes commercial trespass, identity conversion, and human trafficking.
- This trust has perfected its standing through unrebutted UCC-1 claims and judicial notice filings.
- The issuance of trust-coded ERC-20 instruments constitutes lawful tender for trust disbursements.
- All token mint history is forensically traceable, backed by affidavit, and secured via contract address.
- Backdated COLB alterations, unauthorized CUSIP attachments, and treasury fund monetization linked to this estate are under claim for liquidation, restitution, and lawful transfer.

This dossier is not a request for permission — it is a record of jurisdictional correction. Any agency, institution, or entity that continues to presume authority over the living estate, trust instruments, or private jurisdiction declared herein is acting outside lawful bounds and will be subject to forensic inquiry, public exposure, and claim of harm.

"Not for sale. Not abandoned. Not forgotten."
